FOR IMMEDIATE RELEASE

**Bath Township Fire Department to Partner with Bath Local Schools & Ohio
EMA for Statewide Tornado Drill**

The Bath Township Fire Department, in cooperation with the Ohio EMA be visiting Bath Elementary School on Wednesday, March 22, 2017 as part of the Statewide Tornado Drill.

The Statewide Tornado Drill is an annual event which will take place tomorrow, (Wed., March 22nd), at 9:50 A.M. All Allen County local outdoor warning sirens will sound, radio & TV programs will be interrupted with a brief EAS message, and a special message on NOAA weather radio will air.

Officials from Bath Twp. F.D. and the Ohio EMA plan to observe Bath Local Schools' tornado drill process and offer any assistance to help enhance or improve their plan for severe weather.

Bath Township Fire Chief Joseph Kitchen and Ohio EMA Deputy Director Russ Decker encourage all residents to take this opportunity to review their severe weather plans for home, work and school.

Members of the media are invited to meet with officials in the front lobby of Bath Elementary School at 9:40 A.M.

Contact information: Joe Kitchen 419-221-0550
